In who, next to Rothschilds, are probably her was garnered all the affections. the wealthiest financial house in Eng- While a child her countenance beamed The Old Bonds and Ignorant Negroes to land. These gentlemen propose imme- with genius, and was famed for its diately on obtaining possession of the striking spirituality. She ripened into railroad to put it in perfect fresh and beautiful womanhood. Her running order and stock it face was lighted with a sweet smile. cient working. They further propose to bring capital and immigration from abroad to develop the lands of the company along the line of the railroad and lamest to see her fed. pany along the line of the railroad, and almost to see her fade away into the air pects. One of them, a leading Ohio inve made arrangements for a thorough like the creation of a pleasant dream."

Survey of these lands with this purpose in view. If all this be true, we think Governor Lewis owes it to Alabama as laid his remorseless hand upon the well as Mississippi, Louisiana and Tensurvey of the fatter's only idol. The fragrance of the material and private economy, and his wonderful administrative capacity, and strange unwieldly for Mississippi of her repudiated State debt. It made very little impression at the time, but it now has great significant.

de novo of extending narrow-gauge roads from Bolivar and Somerville to Memphis, from Jackson to some point on the same road, and from Brownsville plan, viz: To buy up as many of the sadness and rises above despair, and plan, viz: To buy up as many of the Mississippi repudiated State bonds as that he will go forward, conquering and that he will go forward, conquering and liabilities necessarily incurred, and to conquer. Until recently he is as been were ready, to make a descent upon the Memphis should understand that if this city have no connection with these lines the whole wealth and trade of the country penetrated and developed will be transferred to New Orleans over the Mississippi Central road. It is moreover true that in order to receive all this freight and travel, of the richest and most They is more road. It is moreover true that in order by receive all this freight and travel, of the ishest and most densely populated country that trades with Memphis, the Mississippi Centrain is song, what he has "learned in suffering." Certain it is, he can make the with Memphis, the Mississippi Centrain transfer or the lead of the revery mile of narrow-ganger road that becomes simply a feeder to their lines. And will Memphis stand still while its Major chuckles over compon and soring pelaces of politics, which, and soring personnel to the colored ment of the contraction of the state of the protection and shall nothing bedone during the financial administration of Johnsen, sever the perfection of sharp dodges in the money-market. While losing the trade of the fiver, its always the trade of the West—must this, at our very doors, east of the river, its always the trade of the West—must this, at our very doors, east of the river, its always the results and other towns and country of some one to lead the way. They will be land and money enough substrained along the road-ode, and this city and country west of the Mississippi, and yet the insural took of the protection and promotion of gotheles of the protection and the country west of the Mississippi, and yet of the protection and promotion of gotheles of the protection and promotion of gotheles of the protection and promotion of gotheles of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississippi, and yet of the country west of the Mississipp

Jackson correspondent of the Vicksburg Micratd, a subject which is attracting a great deal of attention just now, and some very heated discussions have occurrenced in the Lectalature.
